YEAS: Panetta, Falgner, Ledford, Gibson and Shonkwiler

Mr. Shonkwiler declared the motion passed.

#### WELCOME AND RECOGNITION TO THE PUBLIC

Mr. Shonkwiler spoke that many were here to support Mr. Hosler and there would be no discussion or action on Mr. Hosler employment. HE also spoke of the procedure for speakers this evening.

Connie Abirached – Support of Mr. Hosler

Mrs. Abirached spoke in support of Mr. Hosler and also gave testimonies of others that she quoted. She said the outpouring of support for Mr. Hosler was amazing. Her first meeting with Mr. Hosler was a Freshman Orientation and his speech was powerful. She knew then he was a true leader. As President of band Boosters she meet with Mr. Hosler and she saw that he truly cared about the students. He would often asked how her family was doing. She stated that the kids knew he had their best interest in mind and gave them a constant drive to make them better. She could not ask for more as a HS parent. She spoke for a former student and staff member that commended Mr. Hosler for caring for everyone and making the HS great. The former teacher said Mr. Hosler is a good man and a good administrator. She also stated that she was glad to call Mr. Hosler a friend and that he had given his life to the students and staff of BHS.

Bill Ostermeier - Community Statement about Accountability

Mr. Ostermeier said he had a son that had recently graduated and a daughter still in school. In light of recent events he was asked to be a leader and be a voice for over 700 students, staff and parents. We are not a small group of disenfranchised people. We will be heard especially when we install new board members. Working with and listening to the community is what the Board is about. He stated that the Board is the education watchdog for the community and they should take care to be legal and ethical. The board should be honest, ethical and open to public and accountable. He stated that Mr. Hosler is a good man and the Board is keeping him from doing what he does. He is a good disciplinarian, but still liked by the student body. He is visible in school greets everyone with a smile and is at all events —

Band, FFA, Plays and never gives up on students. His involvement is second to none. The Board needs to hear that the Supt has gone out of his way to bring bad publicity to this district. BHS has performed above the state average on testing while being in the lowest Cost per pupil. We are a small tight knit community and morale is at an all time low. He announced that a new group has formed. The Community Alliance for Responsible Education (CARE). This group will hold all Board members accountable for their actions. They are promoting the loss of staff and to return Mr. Hosler to his position. They are asking for an audit of the Board for finances and have filed complaints with the Ohio Ethics Commission. He said he will hold his head high on what he did here tonight.

## Richard Davis – Principal Hosler

Richard Davis is a freshman at BHS. HE stated that the school has been thrown into a mood of distrust. He said Mr. Hosler is a passionate man who is involved in the student's lives. He asked the Board to take into consideration the student the students will have if Mr. Hosler is not here. It would be a great tragedy to loose a man who has had a positive effect on so many lives. He stated we can solve any problem if we work together. If all sides acknowledge their mistakes then work together to fix them. We have chaos and disruption we need to work together. He proposed that Mr. Hosler be reinstated. He also asked that a task force be formed of students and community to work together to solve problems.

### Michelle Rhodes

Mrs. Rhodes stated she had 2 students in the school district. She stated she had some questions under Policy BDDH. She asked where is Mr. Lynch this evening. Mr. Shonkwiler stated he was sick at home. She also asked if the Board felt they were following policies and procedures? She also asked if the Board felt any and all people should follow the policies and procedures? She asked if the Board agreed with the Superintendents statement that any reports should be taken seriously. She also asked if Mr. Hosler is allowed to make decisions while on leave. She asked if the Superintendent or Board would be able to make administrative decisions if there was an ongoing investigation into their ethical behavior and criminal activity?

#### Sara Abirached

Sara said there were many emotions that describe the HS students. The atmosphere is not what it used to be and it is not a healthy environment. She stated that the board took away their leader. This has flipped the HS upside down for students, staff and parents. The seniors need him. She asked who sill shake their hand at graduation. He has been there for all of us. She state that the media attention is not good. The media does not just make the HS look bad but the whole school. She asked who do you think pushes the staff and students to do their best? Mr. Hosler. She stated that we need him bad, we are drained and empty without him. It seem like the Board is only making a decision for themselves. Please give us our leader that makes the machine run like a well oiled machine.

#### Mark Bergen

Mr. Bergen stated that a board job can be a difficult one. He stated that he lived in Wilmington and chose to send two youngest children to BHS. We have always felt Blanchester is a great school. He stated he cannot make a decision on what he doesn't know, but he can make a decision on what he does know. He knows that Mr. Hosler is a good speaker and passionate about the school. The school does a good job. Mr. Bergen

had a coin of excellence that he brought to the attention of Mr. Hosler. Mr. Hosler now uses it as a an Award of Excellence for Outstanding Performance. He stated we have an excellent school district and asked the Board to listen to the student who are feeling the impact.
