### Senior Application for Late Arrival and/or Early Dismissal for 2020-2021

A privilege for seniors is the early release/late arrival option if the student's class schedule allows it. Students will not be removed from scheduled courses in order to have late arrival and/or early dismissal without approval by the principal. Students awarded this privilege must meet the following criteria:

- Accrued at least 18 credit hours.
- Be scheduled in 5 full credit courses (PE is ¼ credit).
- Have less than 42 hours of unexcused absence during the junior year.
- Have less than 65 total hours of absence during the junior year.

This privilege can be lost when any student fails to maintain the set criteria or whenever deemed necessary by the principal. If a student begins to fail classes or becomes excessively absent as defined by the principal, early dismissal or late arrival may be revoked. Reinstatement of lost privileges will be determined by the principal.

Students who arrive late or leave early must sign in and sign out through the main office. Students on late arrival are to arrive at 8:40 am each day, sign in, and wait in the cafeteria. **On school days when there is a weather related two-hour delay, students must arrive at 10:27 am.**

Students with early dismissal must sign out in the main office and will be permitted to do so at **1:41 pm**. Students are not to leave their 6<sup>th</sup> period class early to sign out. When there is an end of the day assembly, students are encouraged to stay, but will be allowed to sign out at 1:41 pm.

I have read and meet the criteria for Late Arrival and/or Early Dismissal. I understand that I must maintain the criteria to stay on Late Arrival and/or Early Dismissal. I agree to arrive and leave at the above times.

I am requesting:     Late Arrival         Early Dismissal
