## **Proposed Capital Improvement Purchases With New Monies**

- New 84 passenger buses with cameras (annual purchase)
- Purchase new vans to transport small groups of students to alternative schooling or events (evaluative purchases)
- Purchase new 60 passenger bus with wheelchair lift
- Replace/Repair Middle School and Putman roof
- Improve the safety of our playground with additional mulch, equipment, and fencing
- Repair/Resurface parking lots and driveways and include appropriate signage
- Technology replacement for end of life(EOL) Equipment; servers, switches, and computers
- Improve exterior lighting and poles around our buildings and parking lots
- Safety upgrades to all building entrances as well as ingress and egress to all buildings and lots
- Replace intercom systems in the buildings that are no longer working and serviceable
- Resurface tennis courts
- Repair/Replace ventilation fans in the ceilings of the buildings to prevent condensation build up and tile damage
- Replace the floor of the multipurpose room/cafeteria at Putman
- Repair the sliding wall at Putman in the multipurpose room/cafeteria
- Replace floor tile in all buildings that are cracked or coming off
- Resurface track
- Replace all wall heating and cooling units in the middle school
- Perform brick repair (tucking) on all buildings
- Repair/Replace all downspouts on all buildings
- Repair/Replace sidewalks around the buildings with appropriate signage and access
- Purchase appropriate equipment for mowing and snow removal
- Continue to purchase content resources PK-12 (Math, Science, Social Studies, English, Specials) on the five year rotation
- Purchase new classroom chairs on a replacement schedule
- Replace EOL battery backups across the district
- Replace ice machine in middle school kitchen
- Replace stainless steel servers in high school kitchen
- Replace dishwasher in middle school kitchen
- Repair/Replace heating in bus barn
- Add connectivity to bus barn for internet access (Trainings and diagnostics of repairs)

\*You will note that none of these have a cost associated with them because no new monies will be collected until January 2024 if the levy passes. We will solicit estimates for the equipment and materials closer to the installation date to get a better price picture.

\* Capital Improvement dollars cannot be used for building operations.
