

Blanchester Parent Volunteers Background Check Information (BIB Check)

Blanchester Local Schools is pleased to be partnering with the Background Investigation Bureau (BIB) to allow for parent volunteers to participate in activities within our buildings. This partnership allows for background investigations to occur prior to volunteers coming into our schools.

The process for volunteer registration can be started here: BIB Secure Volunteer- Blanchester Local Schools (<https://bib.com/secure-volunteer/blanchester-local-schools/>)

Volunteers must also fill out this form: Blanchester Local Schools Volunteer Registration Form to be submitted to their school office prior to volunteering in the schools.

The cost associated with this process for the volunteer is approximately \$20.00. Volunteers are not approved to serve in our buildings until the background check is completed and they are notified that they have been accepted.
